### VI. WHO? WHEN? WHERE? AND WHY?

The BumOne rules are very straightforward.

1. This app is for use ONLY by people **WHO** are over the age of 21.
2. This app can be used 24/7/365, but you are visible to others only **WHEN** you choose.

3. BumOne is available **WHERE** you are located.

A. Because we're a new app, please be patient, as it will take time for people to find out about us.

B. Early adopters of BumOne are in a great position to help us spread the word about our app through their social media AND by keeping their BumOne app open at most times during the day.

4. There are many reasons **WHY** we created BumOne.

Here are just a few of the reasons:

1. To provide a platform or springboard for tobacco users to build a unified support system for smokers' rights,

2. To connect tobacco users, with one another, to enjoy a relaxing smoke during the day with a fellow BumOner.

3. To develop a new type of social media app, that connects people, who want to be commented to one another.

4. BumOne was designed contradictory to the reason why other social media apps are created, which is to simply garner as many members as possible, to join their app.

5. Other apps' efforts to recruit members are without regard for the opportunities they provide to bad-intentioned members, who join these apps for the sole purpose of doing harm to others, such as propagating fake news, encouraging cyber-bullying, anger, spitefulness,

6. To grow our national and international groups of BumOners large enough, so that we can work together, to give smokers' rights a new and loud political voice.

## **VII. WE NEED YOUR HELP, TO ENSURE THAT BUMONE BECOMES THE NUMBER ONE APP FOR TOBACCO USERS.**

IF WE SUCCEED AT THIS GOAL, OUR MEMBERS WILL BECOME AN INTEGRAL PART OF THE ONLY TRUE PROTECTOR OF AND ADVOCATE FOR THE RIGHTS OF TOBACCO AFICIONADOS AROUND THE WORLD.
